A Home Game Win!!!

By Laura Alvarez

Our Mariner Boys Soccer Team ends their season with an overall 2-10-0 season. It ended with a 7-2 win over Trinity High School at Preston Park. I love playing and watching soccer matches. The Mariner team defense was strong and their offense stronger yet. It was exciting and bittersweet. It would be the last game for our Seniors. They have worked real hard this season gaining more and more momentum to the end. I will miss practicing with them. We have challenged each

other on and off the field for the last four years. Some of us go back to playing in the Marina Youth Soccer League where we started very

young. The new and developing talent will be worth watching over the next few years

Marina High School Sports Highlight

By Laura Alvarez

Girls Soccer our team is currently 1-6-0. We played three games out last week of the season. We just like the boys team have been gaining momentum over the last few weeks. We had developed some strong offensive plays and scored many more times than ever before. Each position, each player on the field is vital to the team. We had over come illnesses, injury and a shortage of players every week. Our last game against York was no exception. It was almost forfeit because we only had 8 players against their full team of 11 and rotation of substitutes. Our Senior players did not want our last game to end on that note. In the Spirit of a true Mariner against a

storm at sea we declined to forfeit and played. We played long and hard and in the end were satisfied to have played our best.

Boys Basketball their overall standing in their league is 16-10-0. I attended their last home game played at The Salinas Boys and Girls Club. It was a fast pace game. I am still learning about basketball. When I watched the Mariner Girls Basketball team play it was emotional and intense. The Mariner Boys team played fast and technical. It was a different game. They are the defending champions of their previous league so the pressure to do well was on. The Senior players were on honored and presented their

parents with flowers when they were recognized. At half time some of the Mariner girl's team participated in a free throw contest. It seemed such long distance to throw but they made it look easy. The Boys resumed play to win their game against Soledad. It's now off to Playoffs. We wish the team well on their journey!!!

Girls Basketball Their current season stands 0-9-0.

Our first Mariner Baseball and Softball Season are just around the corner. The teams are practicing and getting ready for their first games in March. We the fans are just as excited as the teams to see them play.

All Shook Up

by Jordan Eugenio

I had many laughs watching a funny comedy musical called "All Shook Up". The show was produced by the School of Dramatic Arts program (SoDa) and was held at the Golden Bough Theatre in Carmel. This musical included more than 20 hit singles from a very popular musician Elvis Presley. The story was about ten people looking for a relationship.

The cast included Marina resident Christopher Marcos, Lana Richards, Sarah Ruhnke, Tom Donald, April Diaz, Betsy Andrade, Arick Arzadon, and my good friend Julia Cruz. The characters were very diverse and I was surprised to see young talent mixed with older adults.

I was really impressed by Christopher Marcos who was playing Chad, the main character. His singing and acting was very entertaining and I never knew he had a hidden talent. He played baseball in the Bronco World Series for the Marina All-Stars.

Julia Cruz played the character Henrietta. The Seaside High Junior has been with the SoDa program since her freshman year. "It was my first musical and my third play. It was a great

experience because this play was like a triple threat. It had singing, dancing, and acting. My role was the sassiest

Julia Cruz and Christopher Marcos

girl in the play." according to Julia.

They practiced everyday for three to four hours before opening the two month show. "My favorite song to sing was "That's Alright", there was so much energy in that song." said Cruz. She will be auditioning for the next play called Willy Wonka.
